Hi Linda,
Although I haven't known you for very long, it has been an EXPERIENCE, a good one, an enjoyable one (KNOCK ON WOOD). I think you're a very nice girl and I hope you finish up Franklin at the TOP and I mean WAY UP. I know as you read this, you probably think I'm ridiculous but your absolutely right. (TO A CERTAIN EXTENT) Enjoy your summer and don't go to too many dances.

Your friend since 12th grade
Daniel Francis Harmon
(Dan Harmon)

To Linda,
Have fun during the summer (I know you will) Good luck in all you do. Hope to see you in the summer + next year.

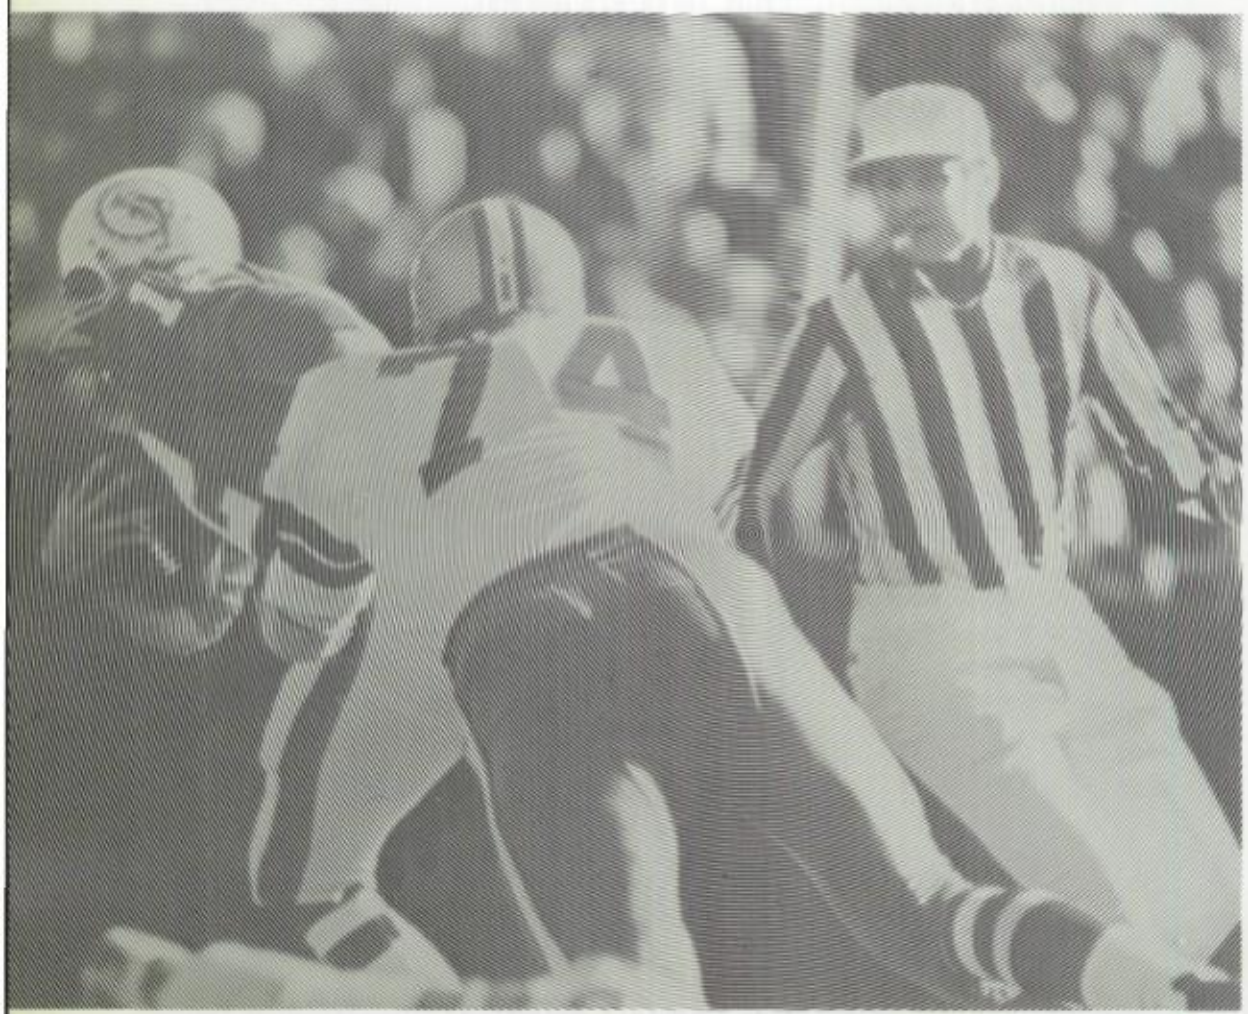
jim tunney - a man of action

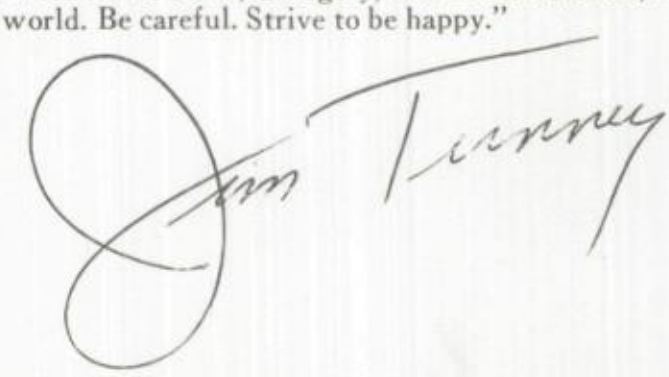


Franklin High School has a unique quality found only in a few schools. It has the unique ability to accept all people. Franklin gives one a feeling of belonging. Some acquire this feeling right from the start; others struggle through their sophomore and junior years, eventually discovering the feeling of belonging as a senior; some, sadly, may never find it.

In my year at Franklin High School, I have been fortunate to find it early. Each of you—each student, each teacher, each member of our school and community—has given me the feeling of being a part of Franklin. Indeed, I am grateful to you. I cite this personal experience as an example to anyone, who may be listening, of the importance of belonging. To have pride in one's self, in one's work and in one's associations is a first step toward finding peace and happiness.

Far too often in one's life, a person gets the feeling that he is unimportant. It has been refreshing to see that Franklin High School helps make everyone become a part of the school. Perhaps this idea is best expressed in a quote from DESIDERATA:

"You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore, be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life, keep peace with your soul. With all its sham, drudgery, and broken dreams, it is still a beautiful world. Be careful. Strive to be happy."



mrs. ruth steele
assistant principal

It was Bertha von Suttner who said, "After the verb 'to love', 'to help' is the most beautiful verb in the world." Your faith, your devotion and your support has helped to make Franklin High School an outstanding school. May you continue to help others and to know the joy of service. It has been my privilege to work with you and I wish you good health and continued success in life.

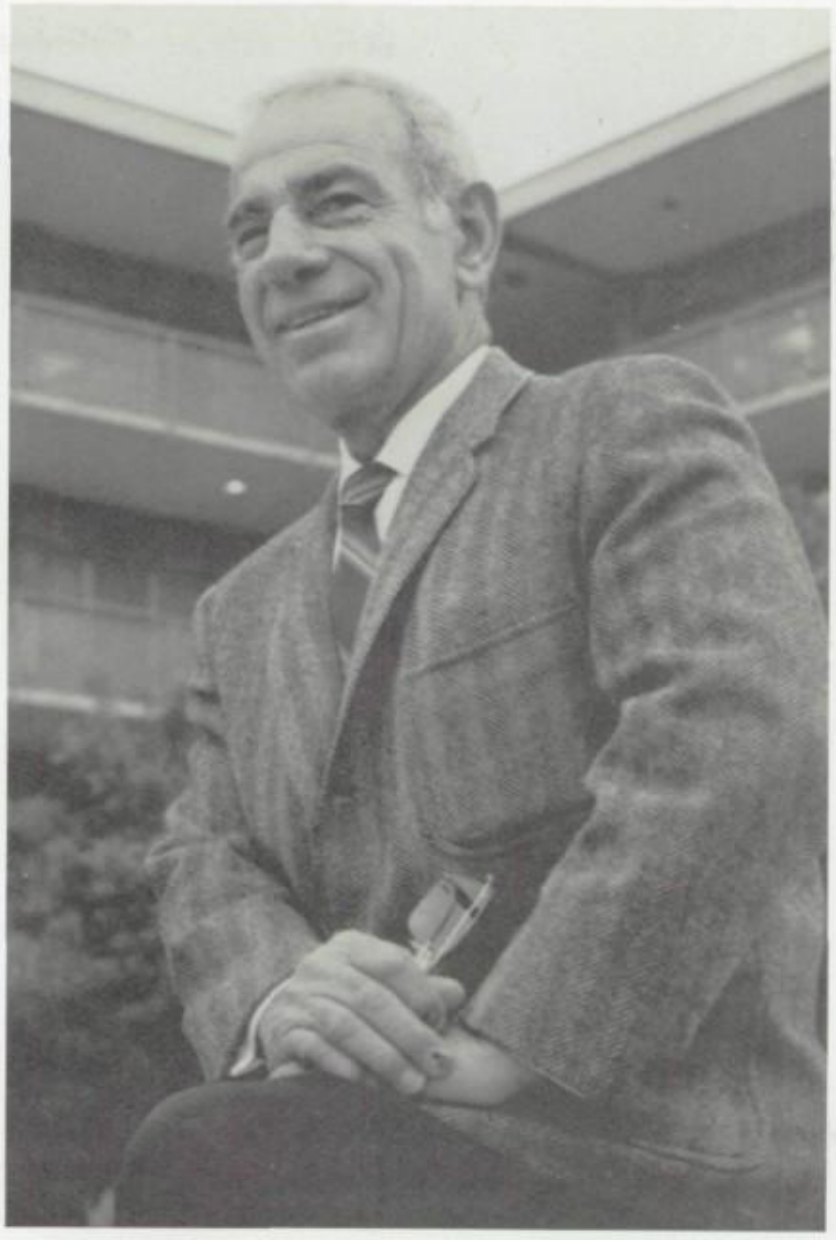
Ruth B Steele

mr. peter d. clentzos
assistant principal

"FAREWELL" is a tough thing to say to the mighty Senior Solarian class of Summer 1973. For the past three years you have devoted yourselves faithfully to maintain the high standards and traditions of our great school Franklin High. We of the administrative staff want to thank you for your strong leadership in the areas of athletics, drill team, band, pep club, drama productions, and scholarship programs, just to name a few.

In the years to come, we hope you will keep in touch with your Alma Mater. We extend to you our very best wishes for your future success. See you at the football games, Good Luck!

Peter David Clentzos



deans

mrs. carol burke
dean of girls

No matter how successful you might be in the future, it is my hope that when you look through this Almanac, you will say that the days you spent here at Franklin were good, happy, worthwhile days. I want you to feel as good about this school as I do.

Carol Burke

mr. josh serrano
dean of boys

It has been a pleasure to serve as Dean of Boys this past year. It is hoped that students who visited the Dean's office this past year will remember the visit as a beneficial experience.

For the great class of 1973 remember that you are now embarking on a future which will provide many more learning experiences. Your education is just beginning. Be tough.

J Serrano

jean havens

director of guidance and counseling

Each of you, as you graduate from Franklin High School has before you a lifetime of living. Fill it to the brim with worthwhile endeavors. Seek training in some area which will lead to work that will be challenging, interesting, and satisfying. Do the MOST that you can, NOT the least! There is an old adage which you may have heard before: "The more you put into life the more you get out of life." I hope each of you will decide to prove this yourself.

Jean H Havens

ed fogle

director of pupil services

Three years of your young lives have quickly flown past. Your accomplishments at Franklin are noted by scholarships earned, records established, and many other noteworthy achievements. I can say with pride that I was the first teacher some of you had when you entered Franklin in the summer of 1971. With the same pride I would like to wish each one of you continued success in your chosen fields of endeavor.

Upon entering Franklin High School graduation seemed so far in the distant future. But the years, filled with exciting and memorable events, flew by rapidly. This is in the past now, but surely will not be forgotten especially by me.

As graduation nears we suddenly realize that the challenge of new unknown experience will be upon us. With many expectations each individual will go his own way, searching for a goal in life. I truly hope that you all find that right place in life and enjoy it as well.

I would like to especially give thanks to Mr. Joe Marmo, for his special guidance and understanding through Fall 73.

As the "Year of the Panther" draws to a close I wish the best of luck to each member of the graduating Class of 73.

Sincerely,
Frank LeBlanc

This semester as your Senior Class President I am most honored. I've enjoyed being a part of this senior class. Maturing together with my fellow classmates, as time went by. Sticking close together through all those good times, as well as the bad. Looking for happiness and finally finding it here at Franklin.

I've also learned that Franklin is a wonderful place to study as well as to find warm friendship. Learning went much more beyond the doors of a classroom, but into our mind. Being a part of everyday life which has affected and determined what we have planned for our future generation. The generation in which we have to live, as well as respect.

I am proud to say that I will always remember Franklin as part of my life.

Sincerely yours,

"a time for us"

After months of tedious work and planning, the Solarian Class held its prom on February 10, Saturday, at 8:00 p.m. The site chosen for this occasion was The Odessey located on top of a secluded little hill which provided a romantic view of the San Fernando Valley.

The highlight of the evening was the suspenseful moment of crowning the queen and her court. Her majesty, queen Yolanda Garcia and her princesses Tina Gonzales, Jeanne Gonzales, Paulette Lucero, Donna Macias, Susie Macias and Patty Perez reigned over the magical evening. As the rain came down the Solarians continued to shine!

surfing

The Surfing Club is a new organization here at Franklin. The main goal of this club is to give students who like to surf the chance to do so. It gives students with no transportation an opportunity to get to the beach with other club members. The club is sponsored by Jim Bertilacci and the President is Jerry McCain.

science fiction

Science Fiction, Sci-Fi, S.F.: these terms are part of a new concept, which motivated an idea everlasting to the world.

In fall of '72 this idea reached Franklin High. Mr. Lomax, accredited teacher and well known admirer of science fiction, latched on to this idea. As a result of his interest started a Science Fiction class. With strong drive, Mr. Lomax extended his enthusiasm by sponsoring a Science Fiction Club.

The success of the Club has made the club one of the most active organizations on campus.

teachers of tomorrow

Teachers of Tomorrow meet every Tuesday under Mrs. Hasselschwert's sponsorship. The club tutors elementary students and assists teachers and any students who request help. The main purpose of Teachers of Tomorrow is to inspire students to enter the teaching field. T.O.T. trys to discover information concerning areas of teaching by listening to special speakers.

They attend Future Teacher conferences at Occidental, U.S.C., and the Board of Education and plan meetings that provide educational experiences.

health commission

The Health Commission, sponsored by Miss Kidder, belongs to a city-wide Junior Red Cross Council. The members are assigned to collect the articles needed for their physical therapy workshop at the Sycamore Park Convalescent home. Health Commission also has a disaster squad that functions very well in every emergency drill.

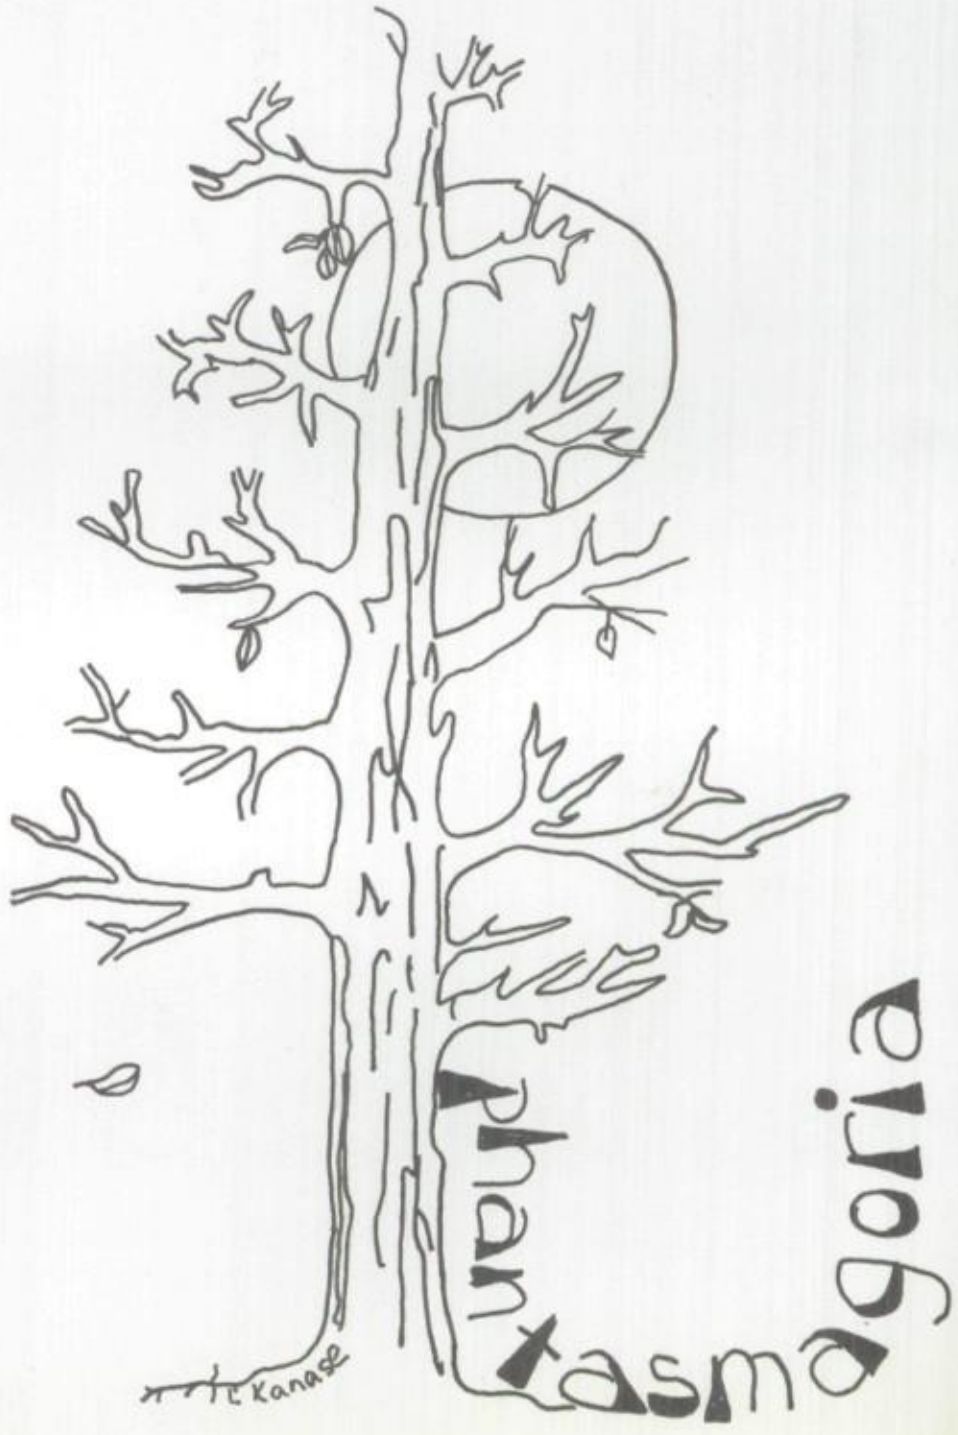
phantasmagoria

(fan-taź-mo-gōf-e a) n.

a rapidly changing series of events, seen or imagined; as in a dream.
Webster's New World
Dictionary

There is a place at Franklin where all wandering souls can express themselves. Miss Lyle Wilson, sponsor of Phantasmagoria, has gone through two years of sorting out all the creative thoughts of Franklin students and presenting them in the form of a magazine. It is published in the spring and is sold to the faculty and the students. The faculty is also encouraged to express their views and Mr. Schwartz, an art teacher at Franklin, has been a consistent contributor.



ecology

The Ecology Club's goal is to get the student body to become more involved in saving their environment. Recently they are sponsoring a paper drive in which the papers will be recycled for future use. Another campaign undertook by Ecology Club was the recycling of the plastic juice containers. They have also planted many trees around the campus, to beautify and establish more green air-giving vegetation in the school. Plus, they have organized a clean-up program in which Ecology Club members and other students, clean up Highland Park after the Christmas Parade. Mrs. Jeter has been leading the crusade and both she and the Ecology Club have done a great deal to help Franklin become aware of our present situation.

athenians

To be an Athenian, 20 hours of service must be contributed each semester and applicants must have 3 A's and 1 B in academic subjects. Athenians is the honor society sponsored by Mrs. Helen Cyran. Each year, one senior is nominated for the Seymour Award. It is given to a student in C.S.F. who has demonstrated outstanding qualities in scholarship, leadership, citizenship and service to Athenians. This years candidate is Susan Lee, fall president. If an Athenian has four semesters of membership, one which must be in his senior year, he does attain the rank of sealbearer. This is recognized by a gold seal on the diploma.

key club

Key Club is sponsored by the Kiwanis International. Key Club is a community and school service organization. They have helped at the U.S.C. Medical Center taking patients to church service every month. They have initiated many large scale projects, such as sponsoring a bike-a-thon to San Diego for the Muscular Dystrophy. They have also taken orphans to the Dodger baseball games. They have donated stuffed animals to the Hathaway Home, and they have helped clean up the lake in Lincoln Park.

They keep close ties with their sponsoring Kiwanis club by sending members to meetings. The Key Club's motto is "We Build" and its international theme is "Insure Tomorrow" both of which Key Club tries to fulfill the best it can.

thespians

Thespians is an international organization whose purpose is to promote better theater. It not only pertains to the actors and crew members, but the audience as well.

Membership must be earned by extra time on productions on contributing to the drama department in the same way. New members are initiated twice a year, in February and June.

Activities include workshops, theater parties, and general things like picnics. Throughout the year members have a money raising project to help pay for activities and especially help members who would otherwise not be able to afford the activities.

g.a.a.

G.A.A., the largest on-campus club is sponsored by Mrs. Scherer and the P.E. teachers, Mrs. Mang, Mrs. Barshun, Mrs. Gallop and Miss Osbrink. On certain days, a girl can participate in after-school sports, provided that she has paid dues. G.A.A. has a lot to offer in a way of variety like basketball, volleyball, stunts and tumbling, bowling, touchdown, tennis, drill team, cheerleading, badminton and baseball. Besides their sports program G.A.A. has their service and community projects. Also some girls were fortunate to represent Franklin at a G.A.A. conference this year.

Heading the cabinet is Annette Saiz-President, Conchita Castro-Vice - President, Kathy Osajima-Secretary, Janice Goto-Treasurer, Stephaine Ung-Public Relation, Jeanne Kawashima-Social Chairman, Grace Chin-Historian and Janet Kawashima-Athletic Coordinator.

For G.A.A. members who have earned five or more credits, they are eligible for membership into Lettergirls. Lettergirls President Susie Sell and her cabinet have set up several projects concerning the aged and convelescent. But besides all the service done by G.A.A. most girls will agree . . . G.A.A. IS FUN."

girls council

One of the most active organizations on Franklin campus is Girls Council, a select group of outstanding 11th and 12th grade girls. They serve the school by assisting the administration with report cards, summer school and fall registration. All the girls on the council are active in Cheerleading, Drill Team, Band and Press Staff just to name a few but they still have time to do community projects and socialize with the other members and Knights. Some of the most memorable events were the Box Social, the Scavenger Hunt and the Christmas Caroling not to forget the get - togethers afterwards. Many thanks are to be given to Mrs. Steele and the Fall and Spring Cabinets for putting it all together.

knights

The Knights' organization is a very honorable and well respected club in Franklin High School. Young men from the junior and senior classes are choosen according to scholastic achievement, good citizenship, leadership, and a willingness to serve both their school and community. Only a selected few ever become a member of this exclusive club.

This year's Knights were the most active compared to previous clubs. Besides serving on posts each week, the Knights sponsored a dance, went Christmas caroling with Girls Council at Convalescent Hospitals, donated funds to charity and helped with the annual homecoming festivities. This participation in school and community activities has earned the Knights the respect they deserve.

drama

This year has been a significant one for the Drama Department. We have continued to put on more productions than any other high school in our area. In our constant search for variety we have done three plays ranging from a Greek comedy to a children's fairytale. The first play this year was "Lysistrata", student directed by Sylvia Aro. Our next play was "Martian Chronicles" was student directed by Erin Weigand and our most recent production was a children's fairytale, "Greensleeves Magic", student directed by Madelyn Westphal. Our next production will be "Little Mary Sunshine", a musical comedy.

The Drama Department has continued to expand. This year we have a beginning drama class, a stage craft class, an advanced drama and a play production class. This semester the new Thespian Troupe which is open to all drama students who have outstandingly participated in Theatre Arts, really got off the ground and is now growing. There are a variety of activities for all members of Thespians. Thespians officers this year are: Randolph Watkins - President, Sandy Wilson - Vice President, Patty Perez - Secretary, Madolyn Westphal - Treasurer.

We would like to give our thanks and love to someone who has given more to the Drama Department than anyone, our director and teacher, Miss Carolyn DeMirjian. She has taught us an immeasurable amount of things about drama and even more about life.

"I don't know, Your Imperial Highness, but I'd do anything to free the queen and make the princesses happy". (Greensleeves)

"Why yes, you could call them that. They're all a kind of magic - singing and laughing and dancing." (Greensleeves).

Ideas and plans have been the main ingredients which has kept spring leadership active this semester. Through the enthusiasm and deligent work of the Leadership OFFICERS, we have been able to accomplish most of our goals. I cannot express enough appreciation for their time consuming work and planning. I would like to thank Mr. Larry Messenger for his advice and guidance and the Administration for their cooperation on our ideas. Girls' Week March 4-10

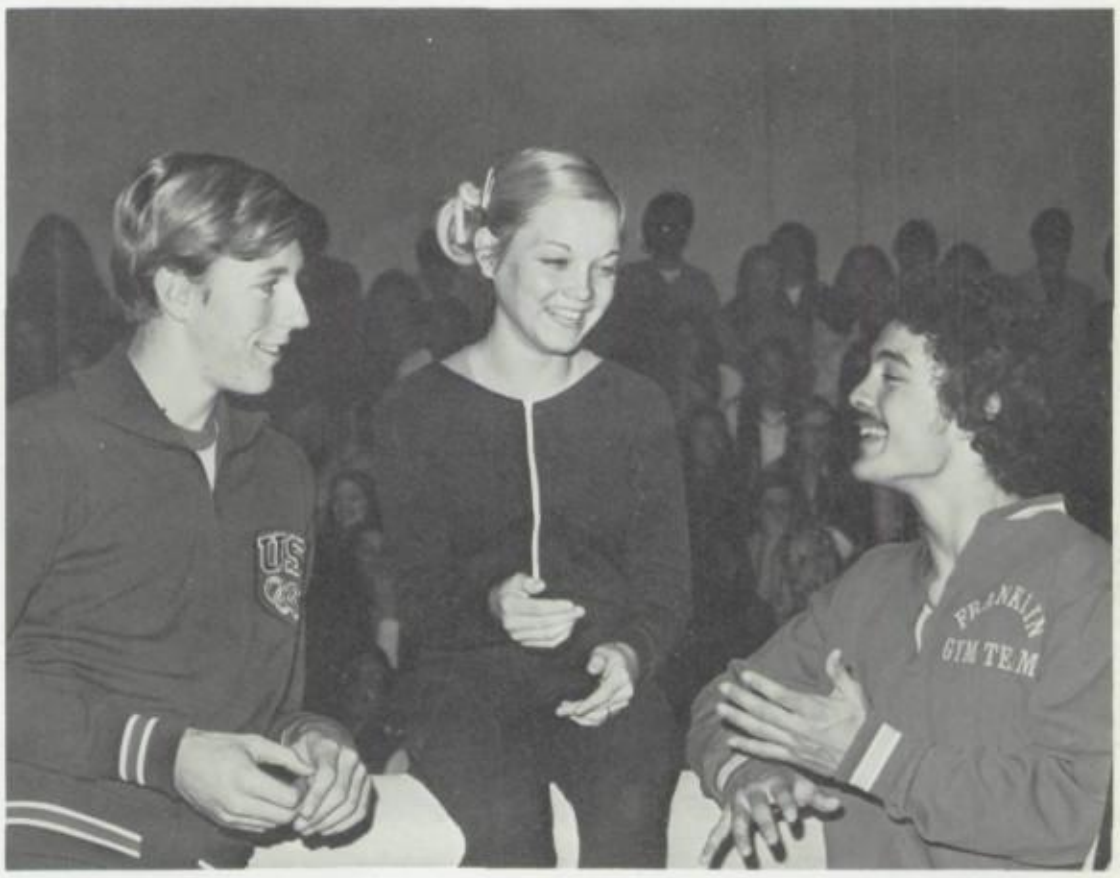
The Girls' League sponsored a week of events which started with a cake bake contest. On Tuesday, seminars which covered such subjects as crime, modeling and feminine traits men respond to, were held afterschool. On Wednesday there was a breakfast for the representatives and throughout the day Franklin High School girls relieved their childhood by dressing up like "Little Girls." Girls' Day in the community was held on Thursday in which six girls took over administrative positions in the school, twenty-one girls in the local elementary schools and twelve girls filling various government and business positions.

Cathy & Dwight

On March 9th Franklin students were honored to have Mrs. Cathy Rigby Mason and Dwight Stones. Cathy is a world famous gymnastic star who has been to the Olympics twice and was a silver medalist. Dwight Stones is a bronze medalist in the high jump. Also performing was Franklin's All City candidate in gymnastics, Mario Mora.



George Sharp

May 4th, is a day that the students of Franklin will long remember. Mr. Sharp has made the students at Franklin realize that Hypnosis can not only be fun, but also very interesting. Hypnosis shows the great control one person can have over another. The show was very entertaining and provided the student body with much laughter. We would like to thank Mr. Sharp for such an outstanding program.

panther varsity of 1972

The 1972 football season saw the Franklin Panthers, with a 6-2 won loss record and runner-up in the Northern League, enter the city playoffs for the fourth consecutive year, a record most teams do not achive during a similar span.

Franklin displayed a versatile and well-balanced offense and a defense that gave ground grudgingly during the 72 campaign. Proof of the offenses versatility was its ability to score via punt returns, long ground oriented drives, passes, some razzle dazzle plays and even the field goals. Franklin in fact scored more points in league action this year than last year's squad.

Defense often makes or breaks a football game and the Panthers rose to the occasion. Of the six victories, Franklin held its opponents to an average of 3.6 points per game.

With basically a young and inexperienced team, the Panthers surpassed all expectation for success was shown considerable poise during the season which was marred by just on loss in league competition.

Franklin recorded a 2-1 record in pre-season play, defeating favored Grant 17-0 and tough Hamilton 7-3 before falling to Sylmar, one of the three undefeated teams in the city 20-6. League season started on a positive note with Franklin dismantling pre season league favorite Belmont 21-0. Eagle Rock, Marshall, and Lincoln fell by respective scores of 21-6, 14-7 and 27-6.

During the season Franklin proved it could battle back from adversity by overcoming Hamilton in the second half, topping Marshall in the final two minutes and defeating Eagle Rock following the Wilson setback.

Taft High School closed the curtain on the Panthers but not without a dogfight. Two early Franklin errors gave the heavily favored Torreodores two scores. The Panthers battled back to narrow the defeat to 14-7 and made one last desperate effort in the fourth period which did not result in a score and ended another successful Franklin season.

belmont bows 21-0

Who said that Friday the 13th was bad luck! Not for the Franklin Panthers as they ran over the Belmont Sentinels 21-0.

The Panther offense was led by half-back Frank LeBlanc, picking up 108 yards on 14 carries for an average of 7.7 yards per carry. David Bautista and Danny Hernandez also contributed to the offensive punch as they gained 37 and 27 yards respectively.

Danny Haro excited the crowd when he scampered 54 yards on a punt return for a Panther T.D. but it was Vince Ballardo who put the iceing on the cake in the fourth quarter on a one yard plunge.

Hector Tobal made good on all three extra point kicks as the Panthers finished the day 21-0.

franklin stopped 33-7

A night the team and fans will never forget. The night the Franklin Panthers were stopped by the Wilson Mules 33-7.

The contest took place in the Rose Bowl, a fitting place to decide the Northern League title. It was only the second league game and who ever won was sure to be the title winners. Wilson, coming from an impressive 20-0 route over Eagle Rock, came into the game with an offense capable of scoring and a defense capable of stopping you. Franklin would have its first real test of the year, both offensively and defensively.

For the past three years, Franklin has been the victors and Wilson did not want to settle for second best again.

"no roses for eagles"

The Franklin Panthers came back strong and defeated Eagle Rock 21-6, for an unpredicted four years in a row at the Rose Bowl. Save one long run by the Eagles, Franklin throttled their homecoming rivals throughout the game, ending with a 14-6 halftime advantage.

Franklin culminated its intial scoring drive with a one yard plunge by Danny Hernandez while a 20 yard strike from Vince Ballardo and Dan Haro accounted for the Panthers scoring tally. In the second half a 14 yard Frank LeBlanc run for six points locked up the game for the Panthers.

Rod Palmer, David Gomez, Ed Reyes and Sam Flores spearheaded the defense while LeBlanc ran for 110 yards behind Franklin's solid offense line of George DelToro, John Occhipinti, Adrian Morquecho, and Jime Bogle Jr., John Crumpacker and Ray Rangel.

panthers halt hopeful marshall 14-7

What looked like a rout in the making at the outset turned out to be a battle for Franklin as the Panthers downed Marshall 14-7.

The Panthers jumped out to an early 7-0 lead. Danny Hernandez emerged as the leading ground gainer on 11 carries for 95 yards, most of them on quick blasts up the middle.

A fourth down pass of 17 yards with two minutes left from quarterback Vince Ballardo to Frank LeBlanc provided the winning margin for Franklin. John Synder, Glenn Martinez, George DelToro, and David Bautistia turned in outstanding defensive efforts.

John Crumpacker and Ray Rangel provide the blocks for halfback David Bautista.

panthers win mud bowl 27-6

A well-coordinated offensive and defensive effort by playoff bound Franklin gave the Panthers a 27-6 conquest over Lincoln in the season finals. From the early moments of the contest, the Tigers proved no match for Franklin as the Panther rolled to a 21-6 halftime bulge.

David Bautista was the big gun for Franklin, scored three touchdowns, two on short runs and one on a pass. Vince Ballardo answered the call on the Panthers fourth touchdown on a quarterback sneak. Fullback Dan Ramirez made his presence felt in the Tiger defense, chewing up huge chunks of yardage.

Excellent defensive play was recorded by Lionel Chavez, Dan Haro, Danny Hernandez and Sam Flores.

Guard John Occhipinti leads indestructible fullback Dan Ramirez through Tiger defense.

Franklin High runners-up Panther gave Taft High the scare of their lives in the first round playoff game before bowing 14-7. Two first quarter fumbles by the Panther directly results in Tafts only scores.

A 62 yard double reverse pass from Vince Ballardo to Frank Le Blanc gave Franklin its only score against the Toreadors.

The Panthers defense limited Taft's heralded runners to a total of 90 yards, then the lowest of the year. Ray Zamora, John Snyder, Glen Martinez, George Del toro, Danny Hernandez took care of things up front while Dan Haro, Frank Le Blanc and David Bautistia stopped Taft advance beyond the line of scrimage.

The 1972 Bee Football season was one of heartfelt thanks and heartbreaks; joy and frustration, magnificent execution and glaring mistakes and most of all it was a year of learning.

The season started with the Bell scrimmage in which our personnel were evaluated for the opening practice game with Grant High. The team was successful at Oxy when we defeated Grant 16-12 on a T.D. run by Mark Silva and a great catch for a T.D. by tight end Fred Celis thrown by QB Gibby Peterson.

The next opponent was a tough Hamilton team. The game was not decided by the score but by "not a score". The officials ruled Otis Olivares out of bounds on a touchdown catch which would have given us a 14-13 victory but instead we absorbed our first loss 13-8.

We then defeated a very good Sylmar team 8-7 on a last minute T.D. pass to Otis Olivares and the 2 extra points from Kenny Dison. The league season opener was with Belmont High which we handly defeated 32-0. The game was characterized by outstanding defensive play and good execution on offense.

Next came Wilson for which we were very uptight and tense and lost 14-0 after intercepting 6 passes in the first half. Too many opportunities were missed by the offense. This caused the defense to play the major part of the game. The unveiling of Jesse Serrano was the happy side of the ledger. In his first game he lead the team in rushing for that game. Lightning strikes quick so they say and it struck quick in the next game against Eagle Rock at the Rose Bowl. After leading 14-0 at halftime and controlling the game, the door opened and the Eagles struck for 2 quick T.D.'s and ran the winning 2 points in for a 15-14 win and another frustrating loss. Undeafeated Marshall was the next foe for the Bees and again frustration was the name of the game. Leading 13-0 on T.D. passes by Jesse Serrano and Kenny Dison thrown by Gibby Peterson, Marshall scored two quick T.D.'s with 2:53 seconds left in the game to win 14-13. The entire defense was great limiting Marshall to a minus total yardage for the game. The season ended on two joyous notes First: Lincoln was soundly defeated 14-0 on a sloppy field by a courageous group of young men and second: note tears of happiness from two very happy coaches as they carried us off the field.

The Franklin Varsity enjoyed one of the best seasons they have ever had. First year head coach Mike Acosta led the Panthers to a winning season of 5-4. The highlights of the year were the victories over the undefeated Eagles, and over Lincoln, a team Franklin hasn't beaten in over eight years.

Senior Greg Tett and returning Letterman Mike Wasiuk were chosen to First Team and Honorable Mention All-League, respectively.

j.v. basketball

The Franklin Junior Varsity suffered a disappointing season ending up with a record of 4-6. The season outlook was hopeful and the J.V.'s started off with a record of 3-2 at the end of the first round of action. However, the Panther's luck was not to hold out as injury struck and the J.V.'s were never able to re-assemble. Playing with an eight man squad, the J.V.'s staged a stunning upset over league leading Eagle Rock (67-57) for their only victory in the second round. Both starting guards, Dave Fryar and Jesse Nerio, were chosen to the First Team All-Northern League.

David Fryar's determination led him to all All-League spot.

northern league champions

1973 will be remembered at Franklin as the year of soccer. The team returned to win its second straight league title competing against Lincoln and Belmont in the Northern Soccer League. Franklin's team was a new group with only six returning lettermen. But through Coach Avallone's direction and long hours of hard practice, this new team molded itself into one of the finest soccer teams in the city.

They won their first contest against Hoover in which Jose Luis Gutierrez and Ricardo Sanchez scored goals to shutout Hoover 2-0. The second practice game proved an omen of things to come. San Pedro, which had been denied a victory against Franklin all last year, was once again shut out 1-0 by Jose Luis Gutierrez's hard, low shot in overtime.

The Northern League proved to be the hotbed of excellent soccer. Belmont and Franklin battled each other on three occasions in which two games ended in ties. The first Belmont encounter ended in a 1-1 tie with Jose Avina scoring with a head shot that eluded the Belmont goal keeper. The second time Franklin met Belmont, the game was dominated by Franklin's aggressive offense and defense. Goal were scored by Miguel Tenorio and Ricardo Sanchez in defeating Belmont 4-1.

The third and last time Franklin met Belmont, the Panthers need only a tie to clinch the Northern League Title. Franklin gladly settled for the 1-1 decision and the Northern League Crown.

Lincoln had a number of problems keeping players eligible this year. The first time the "Cats" met, the game was decided only in overtime when Dario Pacheco scored the winning goal for Franklin. Franklin's other goals were scored by Ricardo Sanchez and Jose Luis Gutierrez who suffered a broken arm in the hard fought battle.

Before Lincoln started the second round of league play, they had lost five starters due to ineligibility. Franklin easily won the rematch 3-1 on scores by Dario Pacheco, Miguel Tenorio, and Francisco Moroyoqui.

Having captured the Northern league title, Franklin started its drive in the city playoffs. The first opponent was Roosevelt, a team that had dominated the Eastern league by defeating Garfield, last years city champions. In this crucial first matchup in the playoffs, Roosevelt played an aggressive five minutes and scored a quick goal. But then Franklin's left wing Dario Pacheco took charge scoring two goals to give Franklin the victory.

For the semi-finals, Franklin had to play San Pedro at Daniels Field. The game was deadlocked for three quarters until Franklin's usually tough defense allowed a penetrating shot at the goal to give San Pedro the lead early in the fourth quarter. Franklin's team rose to the occasion and maintained a solid driving offense with Jose Escobedo scoring the tieing goal with less than two minutes left in the game. Franklin continued to play excellent soccer in the overtime periods and won the semi-final round.

The win brought Franklin into the city finals in which San Fernando defeated Franklin 2-1. Although Franklin dominated the play and took a battery of shots at San Fernando's goal, only Miguel Tenorio could find the net.

The loss brought Franklin the city runner-up trophy. The last time a Franklin team had advanced to the final round of the city playoffs was in 1922 when the football team won the city championship. The soccer team has now set an example for all the sports at Franklin to follow. Congratulations to a fine team.

cross country

Cross Country has traditionally been the unknown sport at Franklin. Although school spirit has never been directed towards the dark horse sport the teams fared very well. Head iron man Coach Gus Spraker, was faced with no returning lettermen. Still, hard work and endurance produced a representative team. The varsity team, with Billy Briggs and Ruben Acuna leading the pack, ended up with a 2-3 record in the league. Briggs and Acuna also shared the Cross Country Hall of Fame Award.

The J.V.'s, with top men Kevin DeQueiroz and George Villarreal had a 1-4 season. The sophomore team featuring Kevin Barnes and Chuck Gage fared a record 0-5. The future teams are promising though with such outstanding performers as Dennis Dautrich, Donny Bagwell, Rabbit Nova, Otto Disselhoff and Rudy Arenas.

gymnastics

The 1972 gymnastic season ended in a 6-1 record and a second place in the league which this years team hopes to match. Continuing lettermen from last year and a city hopeful for this year, Mario Mora is the backbone of the team. Already in their first three matches, Mario has scored 17 firsts, 2 seconds, 1 third and 1 fourth (he scored in every event entered). Up to date Franklin's musclemen have a perfect 3-0 record with their toughest match last in the season against Lincoln.

Other outstanding gymnasts are Marco Orozco - side horse, p-bars, Teno Moreno - Side horse, Ralph Rojas - p-bars, Bob Lyons - free X, p-bars, high bar, rings, side horse, Bruce Eddy - high bar and Dennis DeAguero - free X, long horse, p-bars, and rings.

varsity baseball

This year's varsity baseball team possesses all the qualities of an outstanding team. Great pitching by senior Mushy Velasquez, junior Mike Sutherland and relief work by Greg Tett have been it's trademark. Rifle armed catcher Ed Reyes also supplies the leadership as team captain. A strong infield includes Al Aguilar 3B, Jose Garcia 2B & SS, Ken Dison 2B, Mushy Velasquez SS, and Greg Tett 1B. The outfield is headed by Dan Haro CF. Dan's bat and base stealing provide much of the offense. Ken MacNeil, Vince Ballardo, and Gary Haskins round out a fine outfield. The hitting of Tett, Haro, Aguilar, MacNeil, and Velasquez has sparked the offensive punch.

The pitching staff was composed of strong right hander Mike Hughes and control artist Don Woodward. Doing a fine job in the bull pen were Edwin Flores and Jerry Berumen. This year for the 1st time the J.V. tennis will have league standings. Coach Mullen says "We have a very good chance of taking the championship this year. We won it last year but of course then it didn't count."

varsity cheerleaders

It was a tough season but we finally made it. Being a cheerleader is exciting and receives a lot of recognition but it also gets it's share of hard work. Many changes were made and it took the efforts of all of us to get it all together. The last minute jitters, the awaiting of the last seconds, and the ending with the Alma Mater will always be remembered. Win or lose a cheerleader sees many new faces and places, but there is one place she never forgets. We would like to thank Franklin High, for giving us a part in our lives we will always cherish.

Drill Team 72-73

If ever two individuals have felt a moments' pride, it was done so this year as Ana and I stood before Franklin's drill team. One hundred and one hard working, dedicated girls who are a success is a lot to be proud about! Alone they are simply individuals, but when someone brings them together they can form something great. Ana and I were given that job this year, and I'd now like to thank last years drill team for giving us the chance and this years drill team for helping carry our responsibilities out. The drill team would have been zero without the cabinet, the cabinet would have been zilch without the captain, and the captains would have been nothing without each other. In the background stood Mrs. Barshun helping all of us fight to become something. We were single steps together forming stairs, and we have everyone above and below us to thank.

At this time I'd like to again thank you all. With love and appreciation I sign:

Just another person,

This year's Band was active in keeping up the Franklin tradition for quality. The Band played in several parades, including the Chinese New Years, the South Gate and Highland Park parade. They put on a Christmas concert as well as several others such as the one performed with the Modern Dance and Franklin Folklorico Group. And, of course, the band shined at the half-time with such numbers as "My Cherie Amor", "You've Made Me So Very Happy" and "Tonight", always proving that "FRANKLIN RULES"!!!

r.o.t.c. #1

During the year, at one time or another, you may have seen some students wearing Army R.O.T.C. uniforms around school. As a result of this you can say that you are aware of the fact that there is an R.O.T.C. unit on the campus, but are you really aware of it?

The R.O.T.C. has been a part of Franklin High since 1919, when the Department of the Army established R.O.T.C. in high schools. Since that day in 1919 this organization has served the school in countless ways. A lot of these services don't seem particularily important, but the fact is that it's these small and inparticularily chores that separate the good high schools from the outstanding high schools. The R.O.T.C. has many activities for which the cadets get regular school credit plus they add to the overall prestige of Franklin. In fact Franklin is recognized as one of the best in the nation by the Department of the Army.

The services performed by the R.O.T.C. are done with pride. They are glad to work together with the other students with the ultimate goal of making Franklin better until we can say that we are they best in everything, anywhere, that we are NUMBER 1.

Vaudeville Returns

by John Crumpacker

Reincarnation is real. No, old unt Agnes didn't come back as wart hog, but Ted Mack's Origi- nal Amateur Hour made a trium- phant(?) return under the guise of Franklin High's First Annual Talent Show.

Students and teachers were treat- ed or subjected, depending upon individual taste, to two different assemblies consisting of a variety of songs, two dances, an interesting display of pictures, and a W. C. Fields-Mae West routine.

Drama instructor Carolyn Di- mijian stole the show with her song "I'm Just a Girl Who Can't Say No." Miss Dimirijian's song, lively comedy number, was co siderably enhanced by her acti prowess.

Highlighting the second asser was the W.C. Fields and Mae act. Ray Rangel and Jeanne zales as W.C. and Mae perhaps the most origina their performance, engag frivolous banter.

Their act was supplem the five dancin-

Accuracy Questioned

I.Q. Test Dispute

By Sheryl Johansen

State testing is:

A. an inaccurate measure of a stu- dent's potential.

B. a waste of money and

C. a method of comparing of students.

D. all of the above.

E. none of the above.

If you picked answer D, y probably correct.

Each year the Los Angele School District is required b law to give diagnostic tes Franklin, these tests are gi the senior year.

According to Mrs. Jean H Head Counselor, these tests accurately reflect a student telligence. She explained t person's score depends on fa other than his own intelligen well as his health and emo condition at the time he test.

The Solarians were treated this year to bigger and better issues of the Franklin PRESS than ever before. The Advanced Journalism class strove for quality rather than quantity; with a hard-working, diverse and talented Staff of eleven dedicated writers and photographers, they eventually achieved both.

The Fall staff was directed by Marianne Gregory and Editor-in-Chief Terry Borst. Special attention, as always was given Franklin's football teams. Other highlights included a series of articles concerning the November elections. A special article on the Watergate case highlighted one issue, and the Press' reply to a controversial article written by a local sportswriter was featured in another. Mr. Jack Wright, Franklin's scholarship coordinator, was also saluted in a special story.

The Spring Staff, with advisor Cary McLean and Editor Mark Spencer at the helm, probably set school records with the PRESS, turning out many six and eight page issues, not to mention the hugh senior paper which is being issued the last week of school.

The Spring PRESS spotlighted activities of Franklin students, and what they do in their spare time, from raising pigeons to jumping off cliffs. In-depth articles on school burglary, adolescent suicide, and a special salute to long-time FHS coach Gus Spraker also highlighted the PRESS. A new approach was tried about mid semester, with many more photographs being used to increase the visual appeal of the publication.

Special attention was given to the Spring Sports program, with coverage of Baseball, Tennis, Track, Swimming, Golf, and Gymnastics.

In all, the staff worked many long and difficult hours to produce this year's PRESS and the reception by students has been very favorable indeed.

Debbi Nishinaka Editor

In taking the editorship of the Almanac, I have found that it took a lot of hard work and sacrifices. I've worked sometimes 6-10 hours straight to make the deadlines, missing out on seeing my friends and falling behind in my studies. Both are very important to me, but I feel that I've done the right thing. I'm proud that I have put together a book which is of my best efforts. There may be improvements which can be corrected and mistakes made out of human error, but this, I feel, is the best Almanac ever put out by Franklin. I'm so very proud that I've belonged to the Almanac Staff.

In working in the yearbook, I have learned much. Besides the know-how of publishing a book, organization, and leadership, I have learned many lessons about people. Knowing who your friends are and who is really a devoted worker can be the greatest asset an editor can have. The other side of the coin is that I've also seen the laziness and the uncaring. I have learned from both and it has changed my outlook on life.

There are many people who deserve recognition for taking as much effort and devotion to the Almanac as I have-Mr. Larry Messenger, Janice Frederick, Cathy Albanese, and Roxie Ferris, just to name a few-who I thank with deepest sincerity and who I wish the best of luck in the future.

The Almanac doesn't belong to the Staff. If you aren't pictured in the Almanac, and because of that you feel that you don't belong, you are mistaken. The book is about Franklin High School and YOU are Franklin. YOU BELONG!! So take pride in that as I have taken pride in presenting the year 1972 1973.

Sincerely yours

Debbi Nishinaka

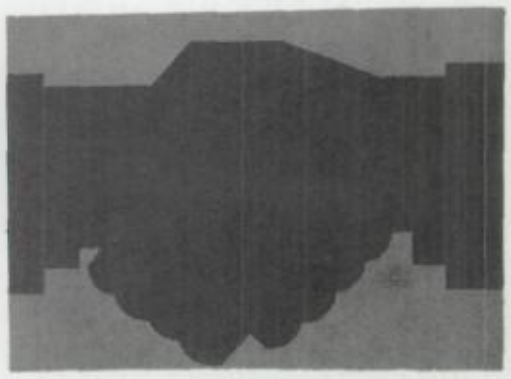
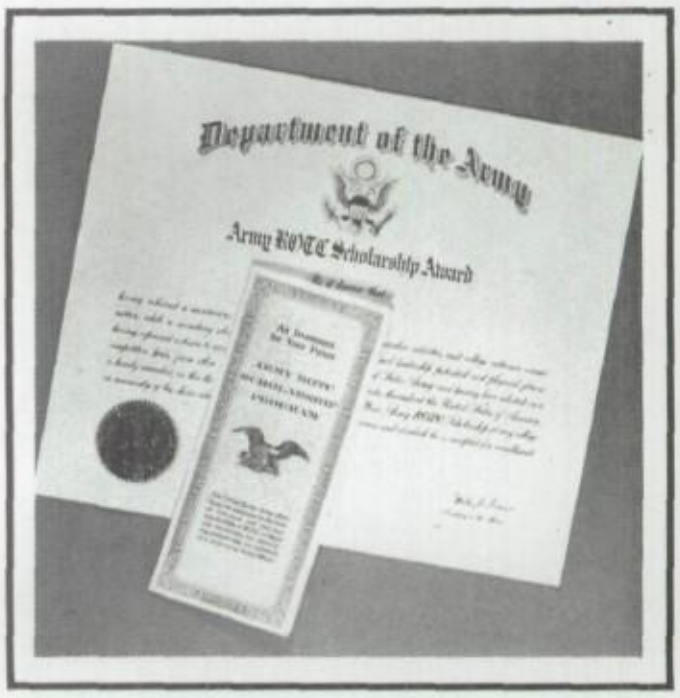
welcome to army **ROTC**



The Army Junior ROTC/NDCC curriculum has been developed in response to changing educational philosophies and concepts. The curriculum is designed to support the Army JROTC/NDCC objectives which are to develop in each cadet: Good citizenship, self-reliance, leadership, responsiveness to constituted authority, a knowledge of basic military skills, an appreciation of the role of the U. S. Army in support of national objectives, ability to communicate effectively both orally and in writing, and an appreciation of the importance of physical education to the accomplishment of these objectives. The Army JROTC/NDCC program is an excellent vehicle for demonstrating practical applications of leadership and citizenship taught in many other high school courses and, as such, should be integrated, insofar as is possible into the overall curriculum. Both the high school and community will benefit by having Army JROTC/NDCC instruction in the school program. Full use of many years of U. S. Army experience should contribute substantially to the preparation of the youth of the community for their future role as responsible citizens.



Female students may now enroll in the Army ROTC program

Types of Scholarships

The ROTC Vitalization Act of 1964 authorized college scholarships for selected students enrolled in the ROTC program.

Currently the Department of the Army offers two types of scholarships—four-year and two-year.

Four-year scholarships are offered on a competitive basis to outstanding male students entering college for the first time. Two-year scholarships are open only to students who have successfully completed the first two years of college ROTC and have been selected for enrollment in the ROTC advanced course.

Over 5,000 of these scholarships were awarded during the period 1965-1968. The Army plans to continue these scholarship awards at a rate of about 2,000 each year.

Army ROTC. The more you look at it, the better it looks.

If you think you've got what it takes... Apply yourself.

to melt and be like a running brook that sings its melody to the night.
to know the pain of too much tenderness.
to be wounded by your own understand of love;
and to bleed willingly and joyfully.
to wake at dawn with a winged heart and give thanks for another day of loving;
to rest at the noon hour and meditate love's ecstasy;
to return home at eventide with gratitude;

Linda,
Sorry we didn't get
along to well some times
in gym. Let the Lord lead
and guide your life and keep
close to Him. Praise God for every-
thing, because He is love. Have a
great summer and see you next
year. Keep on playing tennis all night!

Linda,
Well we didn't have
any classes together
and I didn't see you
very much this year.
I hope to see you this
summer, but I probably
won't, so Bye.
